Re: **Case No. ZA-2004-3419-CU-PAD-PA3**  
*7831 S. Sepulveda Boulevard*

Dear Ms. Green,

The Westchester Town Center Business Improvement District (Westchester BID) represents all of the commercial properties centered along Sepulveda Boulevard between Lincoln Boulevard to just north of Manchester Avenue. This District is the center of neighborhood activities for the portion of Los Angeles located north of L.A. International Airport.

The Lutheran Church and School located at 7831 S. Sepulveda Boulevard has been a part of this Westchester community since 1948. The Church and School continue to play a vital role in our Westchester community by supporting streetscape beautification, community service, water conservation, and other community building initiatives. Westchester Lutheran School itself has an important mission of educating children from preschool through eighth grade.

We know from our discussions with Church and School officials that there is a strong commitment to working with the community surrounding their campus to resolve problems and conflict associated with their operations.

Therefore, this letter is requesting your approval of the School's Review of Plans so that it may continue to serve Westchester.

Sincerely,

Donald R. Duckworth  
Executive Director
